VACCINATION - DIFFERENTIATED* SAFE MANAGEMENT MEASURES (VDS)

ALL SPECTATORS WILL BE REQUIRED TO SHOW PROOF OF
VACCINATION OR VDS-EXEMPTION BEFORE ENTERING THE FLOAT
@MARINA BAY VIA ANY OF THE FOLLOWING METHODS

METHODS OF VERIFICATION

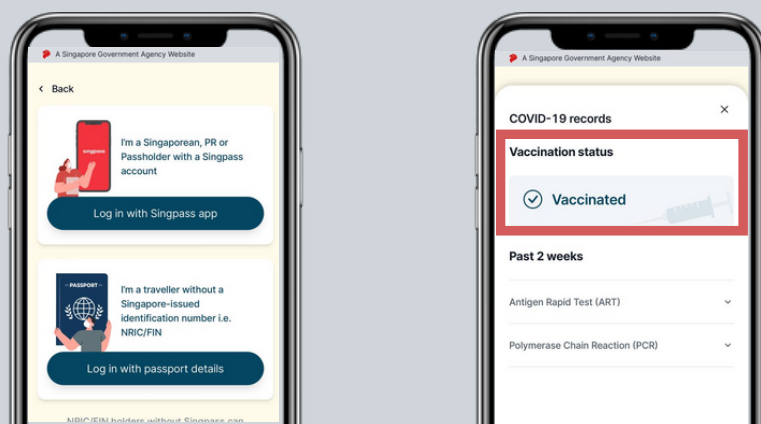

TraceTogether / HealthHub

1. Log in to the **TraceTogether** or **HealthHub** application with Singpass to show your vaccination status
2. Alternatively, log in to HealthHub at **www.healthhub.sg**

Sync Website

1. Go to **www.sync.gov.sg**
2. Log in with Singpass or your Passport details
3. Go to "COVID-19 Records" under the menu to access your vaccination status

Medical Memo

1. Discharge / recovery memo if it indicates the date of the 1st PCR/ ART positive result obtained at approved test providers, or
2. Hardcopy of the doctor-certified memo (based on the template provided by MOH) along with your government-issued photo identification card

The image shows a template for a 'MEMO ON CONFIRMED COVID-19 INFECTION AND RECOVERY FOR UNVACCINATED INDIVIDUALS'. It includes fields for 'Full Name', 'NRIC/FIN/Passport', and 'Country of Passport Issuer'. There are also checkboxes for 'Person 12 to 17 years of age who was vaccinated', 'Person with underlying condition', 'Person with severe allergic reaction or allergy to a vaccine', 'Person with severe immunosuppression', 'Person with severe chronic illness', and 'Person with severe mental health condition'. A note at the bottom states: 'This is to certify that the abovementioned patient has tested positive on a SARS-CoV-2 (COVID-19) [Antigen Rapid Test (ART)/ Polymerase Chain Reaction (PCR) Test / Serology Test (Anti-N/Anti-S)] <to delete accordingly> on'.

COVID-19 Vaccination Card

1. Local physical vaccination card along with a government-issued photo identification card
2. Hard-copy and digital Overseas Vaccination Certificates are not recognised

The image shows a template for a 'COVID-19 VACCINATION CARD'. It includes a section for 'Information about COVID-19 Vaccination' and a section for 'PERSONAL PARTICULARS' with fields for 'Name', 'NRIC/FIN', and 'DOB'. A note at the bottom states: 'The vaccine has been assessed to be safe for use. However, just like other vaccines, you may experience some side effects such as headache, body aches, tiredness and soreness at the injection site, or fever. These usually get better after 1-3 days and may be a sign that your immune system is making a protective response against COVID-19.'

VDS-EXEMPTION APPLIES TO

**Children 12 Years
Old and Below**
(Proof of age will be required)

**Recovered COVID-19
Patients within 180 Days
from Show Date**

**Medically
Exempted from
Vaccination**

*An individual is considered fully vaccinated by national guidelines if he/she has (i) received the full regimen of a World Health Organisation Emergency Use Listing vaccine, including the respective duration post-vaccination for the vaccine to be fully effective and boosters for eligible individuals, or (ii) recovered from COVID-19 in Singapore and has completed his/her vaccination regime.
